Nirlande Singleton is the Host & Curator of Virtual Assistants Brunch (VAB), a private social brunch club and professional network in Orlando, Florida created to propel Virtual Assistants forward in business and life. VAB is a community that provides ambitious Virtual Assistants —across niches and stages of business —with support, mentorship, experiences & resources to reach their success. Your sponsorship is an investment in our “Vision” for the future of the VA industry. Becoming a sponsor at our very worthy event will increase your business exposure and can likely increase your sales. This event will include workshops in Personal and Business Development, expert Speakers and Industry leaders, a curated box brunch and activities for guests..
